Dear Friends:

It is my pleasure to welcome everyone gathered for the 30<sup>th</sup> Anniversary of the Los Angeles Association of Russian Veterans of World War II.

These brave soldiers served alongside American military forces against the greatest threat in the history of mankind. By working together and fighting against Nazi Germany, they helped save the world from tyranny. As the son of a World War II P.O.W., it is with great honor that I join in acknowledging those who risked their lives for freedom.

As one of the largest veteran associations in the United States, the Russian Veterans of World War II have made Los Angeles and West Hollywood their new home, and we are proud to have them.

Please accept my best wishes for a most successful event and an enjoyable evening.

Sincerely,

A handwritten signature in blue ink that reads "Mike Feuer".
